# Kingswood Camp • Winter Newsletter

## SnoCamp 2019

At the beginning of February we had our 2nd winter youth retreat - SnoCamp 2019! What an awesome weekend it was! We had 42 youth in grades 6-8 come out to Kingswood for the weekend and participate in fun winter camp activities, grow in community with one another, and dive into scripture while being challenged to grow closer to Christ. Our speaker, Jeff Milne of Centreville Baptist Church, spoke on the topic of 'Myth Busters' and talked about overcoming barriers that keep us from God. We continue to pray that the seeds God planted during this weekend continue to grow and produce much fruit in the lives of these youth. Going forward we are hoping to grow and expand our winter ministry.

Please note the Early Bird Discount (10% off) continues until the end of April.

## Painting Projects

We are in the midst of looking for financial or volunteer support to help us accomplish a couple of painting projects in our main Lodge. We are redoing our floor with high quality epoxy paint that will last for years to come and hoping to patch the drywall and refresh the paint of our walls. We would greatly appreciate any financial contributions to this project and any volunteers able to help us complete it. If you know someone that is familiar with using epoxy paint on concrete flooring please send them our way as this is a new project for our Maintenance Committee.

## We're looking for more Staff and Volunteers for Summer 2019

We're building an amazing team of staff and volunteers to minister to campers this summer. We are still in need of the following roles to be filled:

**Food Services Manager:** Responsible for managing the kitchen, food services, and kitchen personnel. This is a paid-staff position.

**Male Cabin Leaders:** There are still openings for a couple more male Cabin Leaders. We are looking for young people that are responsible and demonstrate leadership, great with children and youth, spiritually mature and passionate about ministry. Minimum age is 16. A paid-staff position.

**Lifeguard:** Do you know a qualified or soon to be qualified Lifeguard that may be interested in working at camp? Send them our way.

[Staff Applications are posted on our website along with more details.](#)

### Volunteer Roles for all Ages:

**Kitchen Volunteers:** We are looking for volunteers to come serve in our kitchen to help prepare and serve meals to campers and staff. Length of volunteer time is flexible.

**Nurses:** We would love to have someone with health care experience on-site to meet the health care needs of campers and staff. Length of volunteer time is flexible.

**Teens and young adults ages 14+:** Join our SWAT (serving with a team) and help out around camp in a variety of ways, including cleaning, serving tuck, and in programming. Be part of a dynamic team while growing in servant leadership.

**Cabin Leader Volunteers:** An opportunity for mature young leaders to minister to children and youth.

I want to say a big thank you to our supporting churches and individuals that faithfully pray and support Kingswood Camp. Please reach out to us to discuss any of the above topics or more!

In Christ,

Candice Main
