

Camp is on at Kingswood

Have you been missing camp? We sure have missed our campers! We were so thrilled to see overnight camps included on Phase 3 of Nova Scotia's reopening plan. This is the good news that we have been praying and preparing for and we are excited to say we will be running overnight camps at Kingswood this summer!

There are many spaces still available in our summer camps this year and we would love for you, the church, to help us reach our communities with the news about camp. Can you please consider making an announcement to your congregation and/or make personal invitations to families to send their children to Kingswood?

Thank you for your continued support and prayers. We have hired a fantastic group of staff that have a heart to see campers encounter Jesus this summer and grow as his disciples. As the camping season is fast approaching we are getting excited for what God is going to do at Kingswood this summer.

Yours in camping,
Candice Main

Service Opportunity:

Camp Clean Up

We are looking for help getting our facilities ready for the arrival of campers. Is there a team from your church that would be willing to come out to the camp to help with camp clean-up?

Projects include:

- Whipper snipping
- Trail grooming
- Weeding
- Painting shutters and trim

We are Looking for:

- A good used BBQ
- Car port
